ENTIRE AGREEMENT: This agreement contains the entire understanding between Jeffrey Peterson and the CLIENT. It supersedes all prior and simultaneous agreements between the parties. The only way to add or change this agreement is to do so in writing, signed by all the parties. If the parties want to waive one provision of this agreement it does not mean that any other provision is also waived. The party against whom a waiver is sought to be effective must have signed a waiver in writing.

RESERVATION: A signed contract and retainer fee are required to reserve the specified coverage.

COOPERATION: The parties agree to cheerful cooperation and communication for the best possible result within the definition of this assignment. JLP Imagery recommends that CLIENT designate an "event guide" to point out important individuals for informal or candid photographs to the photographer during the wedding that they wish to have photographed. The photographer will not be held accountable for not photographing desired people if there is no one to assist in identifying people or gathering people for photographs.

INTERFERENCE WITH PHOTOGRAPHER: It is the CLIENT’s responsibility to inform guests to avoid interfering with the photographer’s duties. The photographer, while shooting, will move in directions that he is not looking and has limited peripheral vision. It is especially important that small children are kept at a safe distance. While guests are permitted to photograph during the event, in low light situations they must not use flash as it interferes with photographer’s ability to meter the existing light and they must avoid restricting the professional photographer’s movement and or blocking the photographer’s shots.

WEDDING PHOTOGRAPHY AGREEMENT

Negotiation with the officials for moderation of guidelines is CLIENT's responsibility; JLP Imagery will offer technical recommendations only.
